

PETITION FOR RECALL

TO THE HONORABLE City Council of the City of Fullerton,

Pursuant to the California Constitution and California election laws, we the undersigned registered and qualified electors of the City of Fullerton, of the County of Orange, California, respectfully state that we seek the recall and removal of F. Richard "Dick" Jones, holding the office of City Council Member, in the City of Fullerton, CA.

We demand an election of a successor to that office.

The following Notice of Intention to Circulate Recall Petition was served on August 8, 2011 to F. Richard "Dick" Jones:

NOTICE OF INTENTION TO CIRCULATE RECALL PETITION

To the Honorable F. Richard "Dick" Jones: Pursuant to Section 11020 of the California Elections Code, the undersigned registered qualified voters of the City of Fullerton, in the State of California, hereby give notice that we are the proponents of a recall petition and that we intend to seek your recall and removal from the office of Council Member in the City of Fullerton, California, and to demand election of a successor in that office.

The grounds for the recall are as follows:

A city council member elected with the support and endorsement of the Fullerton Police Officer's Association, Councilman Jones has supported policy and contracts which placed the special interests of the police union over the interests and safety of the community. This leadership failure culminated in the beating death of an unarmed, mentally ill homeless man, Kelly Thomas, and permanent damage to the reputation of Fullerton. Currently, the City of Fullerton is the object of worldwide ridicule.

For many years Councilman Jones has supported an illegal tax disguised as a "franchise fee" on the water bills of Fullerton residents.

Councilman Jones supported the illegal expansion of the Fullerton Redevelopment Agency which would have resulted in reductions of revenues to the General Fund including police, fire, schools and infrastructure maintenance. For many years Jones' support of redevelopment abuses has led to the enrichment of individual donor/developers who exploit Fullerton taxpayers.

In 2008, Councilman Jones attempted to secretly push through a multi-million dollar pension spike to the benefit of the Fullerton public employees who comprise his core political support.

The printed names, signatures and residence addresses of the proponents are as follows:

The answer of the officer sought to be recalled is as follows:

I am a retired doctor who spent my entire career helping people – as a surgeon in the Air Force and in private practice.

In 1977 we moved to Fullerton with our children, and started my medical practice.

I was honored to be a Chamber of Commerce "Man of the Year."

The proposed recall is an attempt to undo the recent election results.

I am saddened by the harsh rhetoric from those willing to destroy our city in the pursuit of money and power.

Recall proponents are using the tragic death of a homeless man to advance their agenda of fear and intimidation.

This recall is led by Tony Bushala – a millionaire developer who has profited handsomely from projects in Fullerton's redevelopment area.

Bushala needs a majority on the city council for future projects to he is seeking. He has spent tens of thousands of dollars to buy elections and bullying our family-friendly community.

This recall is his latest attempt to fleece Fullerton's taxpayers.

I am proud of our city and all the hard working employees.

I have the support of Fullerton's public safety employees.

Vote NO on the recall. Stop the developer's recall power play.
